I understand by signing and submitting this registration form the fence shall be installed in accordance with City Ordinance 2008-81 and all Fire Department Key Boxes shall be installed in accordance with all Houston Fire Department Life-Safety Bureau Standards. I also understand Fire Department access shall be constructed and maintained in accordance with the City of Houston Fire Code and all Life-Safety Bureau Standards. This registration is non-transferable and shall be resubmitted with any change in ownership, responsible party or contact persons. Any modification to the fence will require a new registration form and site plan.
